# WARM UP IN WINE COUNTRY

## GEOTHERMAL MINERAL POOLS

The ancient thermal mineral hot spring flowing deep below our resort contains 27 different minerals and arrives at the surface at 115 degrees. Experience these waters at our main Resort Pool or at Fairmont Spa.

Toast to an evening you won't forget with our exclusive Spa Under the Stars package, where you can experience the magic of Fairmont Spa all to yourself. Inquire to learn more.

## TREATMENTS OF THE SEASON

Treat yourself or a loved one to a soothing treatment at Fairmont Spa. Discover our treatments of the season like the Warm Vegan Body Wrap to pamper the body and reveal rejuvenated skin.
